

Letter #5
March 13, 2020

Dear School Community,

As you know we have been closely monitoring all of the events about the COVID-19 virus crisis and after much consideration we have decided to close our school beginning Monday, March 16th through Friday, March 20th. We will continue to monitor the situation and inform you about any further closure beyond March 20th.

Our school will remain open on Monday so that students absent today and who need computers can submit their parental signed tech form and pick them up. As previously described in our action plan, our instructional component will be implemented starting Tuesday, March 17th. All students at AECl have access and use Google Classroom, an online program that allows students to access lessons and assignments through their own computer or internet-connected cell phone. Beginning on Tuesday, March 17th and for the rest of the week students are expected to access daily video lessons and assignments for each class they have on a given day. Students will be able to work at their own pace; however, students are expected to complete the assignment for each class daily by 4 pm. Completed assignments will be used to determine the student's daily attendance. Students will also be able to communicate with their teachers via email to ask questions or receive individual help.

We encourage you to please continue to visit our school's website for up-to-date information on this evolving situation. We will also continue to contact you via phone and/or email. Feel free to contact me with any questions or concerns.

Sincerely,

Colin Healy
