

Colin Healy, Principal
Carlo Schiattarella, Board Chairperson

Dear AECI Families,

I am so proud of the way our entire school community has risen to the challenges that we all face in these unprecedented times. Over the past few weeks, we have distributed over 175 hotspots and laptops for our families so our students can continue their studies. Our Distance Learning Plan is providing continuity of instruction for all our students and our entire staff is available as always to support our families.

We want to take this opportunity to communicate how Spring Break will work this school year. AECI's Spring Break will run from April 9th through April 14th.

During this time, students will not receive any new assignments, but can continue to work on any uncompleted performance tasks or work they've been assigned for each of their Quarter 3 classes. On Monday April 13th and Tuesday April 14th administrative staff will be available for academic support for any students that require it, and during the entire break our staff will be available in case of emergencies. Your child's academic success is dependent on you checking in on their progress and keeping them on point

As we move into the fourth and final quarter of the year on April 24th, I know you have many questions pertaining to graduation, the administration of Regents exams, etc. In the weeks to come we will communicate this as we get clarity on our evolving situation.

With deep gratitude for all that you are doing,

Colin Healy
Principal
